“Better Together” by Jack Johnson

There is no combination of words I could put on the back of
a postcard
No song that I could sing, but I can try for your heart
Our dreams, and they are made out of real things
Like a, shoe box of photographs
With sepia-toned loving
Love is the answer, at least for most of the questions in my
heart
Like why are we here? And where do we go?
And how come it's so hard?
It's not always easy and
Sometimes life can be deceiving
I'll tell you one thing, it's always better when we're together
It's always better when we're together
Yeah, we'll look at the stars when we're together
Well, it's always better when we're together
Yeah, it's always better when we're together
And all of these moments
Just might find their way into my dreams tonight
But I know that they'll be gone
When the morning light sings
And brings new things
For tomorrow night you see
That they'll be gone too
Too many things I have to do
But if all of these dreams might find their way
Into my day to day scene
I'd be under the impression
I was somewhere in between
With only two
Just me and you
Not so many things we got to do
Or places we got to be
We'll sit beneath the mango tree now
Yeah, it's always better when we're together
We're somewhere in between together
Well, it's always better when we're together
Yeah, it's always better when we're together
I believe in memories
They look so, so pretty when I sleep
Hey now, and when I wake up,
You look so pretty sleeping next to me
But there is not enough time,
And there is no, no song I could sing
And there is no combination of words I could say
But I will still tell you one thing,
We're better together.

“I Was Here” by Beyoncé

I wanna leave my footprints on the sands of time
Know there was something that and something that I left
behind
When I leave this world I'll leave no regrets
Leave something to remember so they won't forget I was
here, I lived, I loved
I was here, I did, I've done everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know I was here

I wanna say I lived each day until I died
And know that I meant something in somebody's life
The hearts I have touched will be the proof that I leave
That I made a difference and this world will see I was here, I
lived, I loved
I was here, I did, I've done everything that I wanted
And it was more than I thought it would be

I will leave my mark so everyone will know I was here, I
lived, I loved
I was here, I did, I've done everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know I was here

I just want them to know
That I gave my all, did my best
Brought someone some happiness
Left this world a little better just because I was here I was
here, I lived, I loved
I was here, I did, I've done everything that I wanted
And it was more than I thought it would be
I wanna leave my mark so everyone will know I was here

I was here, I lived, I loved, I was here, I did, I've done
I was here, I lived, I loved, I was here, I did, I've done
I was here
